DOCUMENTS NEEDED

Closure Letter, and any conditional closure letter issued	X
Copy of most recent deed, including legal description, for all affected properties	X
Certified survey map or relevant portion of the recorded plat map (*if referenced in the legal description*) for all affected properties	X
County Parcel ID number, *if used for county*, for all affected properties	X
Location Map which outlines all properties within contaminated site boundaries on USGS topographic map or plat map in sufficient detail to permit the parcels to be located easily (8.5x14" if paper copy). If groundwater standards are exceeded, the map must also include the location of all municipal and potable wells within 1200' of the site.	X
Detailed Site Map(s) for all affected properties, showing buildings, roads, property boundaries, contaminant sources, utility lines, monitoring wells and potable wells. (8.5x14", if paper copy) This map shall also show the location of all contaminated public streets, highway and railroad rights-of-way in relation to the source property and in relation to the boundaries of groundwater contamination exceeding ch. NR 140 ESs and soil contamination exceeding ch. NR 720 generic or SSRCLs.	X
Tables of Latest Groundwater Analytical Results (no shading or cross-hatching)	X
Tables of Latest Soil Analytical Results (no shading or cross-hatching)	X
Isoconcentration map(s), *if required for site investigation (SI)* (8.5x14" if paper copy). The Isoconcentration map should have flow direction and extent of groundwater contamination defined. **If not available, include the latest extent of contaminant plume map.**	X
GW: Table of water level elevations, with sampling dates, and free product noted if present	X
GW: Latest groundwater flow direction/monitoring well location map (should be 2 maps if maximum variation in flow direction is greater than 20 degrees)	X
SOIL: Latest horizontal extent of contamination exceeding generic or SSRCLs, with one contour	X
Geologic cross-sections, *if required for SI.* (8.5x14' if paper copy)	
RP certified statement that legal descriptions are complete and accurate	X
Copies of off-source notification letters (if applicable)	
Letter informing ROW owner of residual contamination (if applicable)(public, highway or railroad ROW)	
Copy of (soil or land use) deed restriction(s) or deed notice *if any required as a condition of closure*

RE: **Final Closure**

Commerce # 53209-3539-70-A WDNR BRRTS # 03-41-001373
CAMD North Shop, 6270 North Hopkins Street, Milwaukee

One 3,000-gallon diesel underground storage tank (W-1) removed in 1990

Dear Mr. Detzer:

The Wisconsin Department of Commerce (Commerce) has received all items required as conditions for closure of the site referenced above. This case is now listed as "closed" on the Commerce database and will be included on the Wisconsin Department of Natural Resources (WDNR) Geographic Information System (GIS) Registry of Closed Remediation Sites to address residual soil and groundwater contamination. It is in your best interest to keep all documentation related to the environmental activities that were conducted.

If residual contamination is encountered in the future, it must be managed in accordance with all applicable state and federal regulations. If it is determined that any remaining contamination poses a threat, the case may be reopened and further investigation or remediation may be required.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (414) 220-5376.

Sincerely,

Linda M. Michalets

RE: **Conditional Case Closure**

Commerce # 53209-3539-70-A WDNR BRRTS # 03-41-001373
CAMD North Shop, 6270 North Hopkins Street, Milwaukee
One 3,000-gallon diesel underground storage tank (W-1) removed in 1990

Dear Mr. Detzer:

The Wisconsin Department of Commerce (Commerce) has reviewed the request for case closure prepared by your consultant, K. Singh & Associates, Inc., for the site referenced above. It is understood that residual soil and groundwater contamination remains on-site. Commerce has determined that this site does not pose a significant threat to the environment and human health. No further investigation or remedial action is necessary.

The following condition must be satisfied to obtain final closure:

- Monitoring well MW-1 must be properly abandoned and the appropriate documentation forwarded to me at the letterhead address.

This letter serves as your written notice of "no further action". Timely filing of your final PECFA claim (if applicable) is encouraged. If your claim is not received within 120 days of the date of this letter, interest costs incurred after 60 days of the date of this letter will not be eligible for PECFA reimbursement.

Thank you for your efforts to protect Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (414) 220-5376.

Sincerely,

Linda M. Michalets

T. J. Perles + ux to Milwaukee County

WARRANTY DEED.

This Indenture, Made this nineteenth (19th) day of July, in the year of our Lord, one thousand nine hundred and Twelve (1912), between Thomas J. Perles and Nellie H. Perles, his wife, of Milwaukee, Wisconsin, part — of the first part, and Milwaukee County, State of Wisconsin, part y of the second part,

WITNESSETH, That the said part y of the first part, for and in consideration of the sum of thirty nine thousand two hundred thirty three and 45/100 Dollars to them in hand paid by the said part y of the second part, the receipt whereof is hereby confessed and acknowledged, ha s given, granted, bargained, sold, remised, released, aliened, conveyed and confirmed, and by these presents do give, grant, bargain, sell, remise, release, alien, convey and confirm unto the said part y of the second part, its successors heirs and assigns, forever, the following described real estate, situated in the county of Milwaukee and State of Wisconsin, to-wit: The South half (S½) of the Southeast quarter (SE¼) of the Southeast quarter (SE¼) of Section 24 Town 8 East, Range 21 East, excepting a triangular piece cut off from the Southeast corner by the Chicago, Milwaukee & St. Paul Railway Company and ground used by track of said railroad, leaving about nineteen (19) acres, more or less. That part of the Southeast quarter (SE¼) of the Southwest quarter (SW¼) quarter of Section 24, Town 8 North, Range 21 East lying on the North side of said railroad, and containing about one and forty hundredths (1.40) acres, more or less. That part of the East half (E½) of the Northwest quarter (NW¼) of Section 24, Town 8 North, Range 21 East bounded and described as follows: Commencing at the Southeast corner of said East half of the Northwest quarter (NW¼) of said section; running thence North on the quarter (¼) section line 25.52 chains; thence West on a line parallel with the North and South line of said quarter (¼) section 19.455 chains to a point; thence South 8.47 chains to the Milwaukee & Fox River railroad track; thence on a Southeasterly direction along said railroad track to the South line of said East half (E½) of said quarter (¼) section; thence East along said South line 7.095 chains to place of beginning, containing 35.349 acres of land, more or less. All that part of the South half (S½) of the Northeast quarter (NE¼) of section 24 Town 8 North, Range 21 East, which lies West of the so called Hoffmeier Road, as said road is now laid out and located, containing 6.2 acres of land, more or less.

TOGETHER with all and singular the hereditaments and appurtenances thereunto belonging or in any wise appertaining, and all the estate, right, title, interest, claim or demand whatsoever, of the said part y of the first part, either in law or equity, either in possession or expectancy of, in and to the above bargained premises, and their hereditaments and appurtenances.

TO HAVE AND TO HOLD the said premises as above described, with the hereditaments and appurtenances, unto the said part y of the second part, and to his heirs and assigns FOREVER.

AND THE SAID party of the first part for themselves their heirs, executors and administrators, do covenant, grant, bargain and agree to, and with the said part y of the second part, its successors heirs and assigns, that at the time of the ensealing and delivery of these presents they are well seized of the premises above described, as of a good, sure, perfect, absolute and indefeasible estate of inheritance in the law, in fee simple, and that the same are free and clear from all incumbrances whatever.

and that the above bargained premises in the quiet and peaceable possession of the said part y of the second part, its heirs and assigns, against all and every person or persons lawfully claiming the whole or any part thereof, they will forever WARRANT AND DEFEND.

IN WITNESS WHEREOF, the said part y of the first part ha s hereunto set their hand s and seal s this day of and year first above written.

Notes:

(1) All samples were collected by HSI or HSI subconsultants
(2) Concentrations shown in shaded boxes exceed the corresponding NR720 soil standard
(3) "X" designates that no analysis was performed for the parameter specified
(4) DRO = Diesel Range Organic; GRO = Gasoline Range Organic; MTBE = Methyl tert butyl ether
(5) For DROs and GROs, the soil standard shown above (100 mg/kg) is for sites with high permeability soils.
(6) For lead, the soil standard shown above (500 mg/kg) is for sites zoned for industrial use. A 50 mg/kg would apply at non-industrial sites.
