RE: **Final Closure with Land Use Limitation**
Commerce # 53403-1048-01 DNR BRRTS # 03-52-548023
Racine Bible Church, 401 Wisconsin Ave., Racine

Dear Mr. Anderson:

The Wisconsin Department of Commerce (Commerce) has determined that this site does not pose a significant threat to the environment and human health so long as current and subsequent property owner(s) adhere to the following limitation:

- The barrier cap (i.e., existing site pavement) must be maintained in accordance with the enclosed maintenance plan to prevent human direct-contact exposure to shallow residual soil contamination.

Commerce has the authority per section 292.12(2), Wis. Stats., to require the maintenance of a barrier cap at this property. Failure to adhere to this limitation may result in financial penalties from \$10 to \$5,000 per day in accordance with section 292.99(1), Wis. Stats. Commerce may conduct inspections to ensure compliance with the maintenance plan. In the future, you may request that Commerce review *new* information to determine if the cap requirement can be changed or removed.

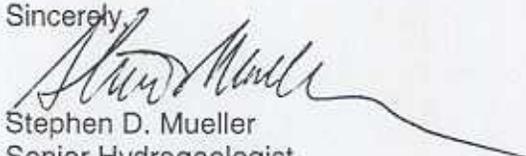

This site is now listed as "closed" on the Commerce database and will be included on the Department of Natural Resources (DNR) Geographic Information System (GIS) Registry of Closed Remediation Sites to document residual soil contamination that exceeds state standards. It is in your best interest to keep all documentation related to the environmental activities at your site.

Please note that if contaminated soil is excavated in the future, it must be managed in accordance with all applicable state and federal regulations. If it is determined that any remaining contamination poses a threat, the case may be reopened and further investigation or remediation may be required.

This letter serves as your written notice of "no further action." Timely filing of your final PECFA claim (if applicable) is encouraged. If your claim is not received within 120 days of the date of this letter, interest costs incurred after 60 days of the date of this letter will not be eligible for PECFA reimbursement.

Thank you for your efforts to protect and restore Wisconsin's environment. If you have any questions, please contact me in writing at the letterhead address or by telephone at (414) 220-5402.

Sincerely,

Stephen D. Mueller
Senior Hydrogeologist

Pavement Cover Maintenance Plan

September 25, 2006

Property Located at: 401 Wisconsin Avenue, Racine, WI

FID# 252247710, WDNR BRRTS # 03-52-548023

Legal Description

The property identified as Parcel Number 00207000 and is described as:

The North fifty-five (55) feet of Lot Twelve (12) and all of lots Thirteen (13) and Fourteen (14) in Block Nineteen (19) of the Original Plat of the City of Racine, First Ward. Said land being in the City of Racine, County of Racine, State of Wisconsin.

All that certain piece of parcel of land situate, lying and being in the City of Racine, County of Racine, State of Wisconsin known and described as: Lot 11, except the South 5 feet thereof, and the South 5 feet in width of Lot 12, Block 19, Original Plat of Racine, as surveyed by Moses Vilas, according to the recorded Plat thereof.

Introduction

This document is the Maintenance Plan for a pavement cover at the above-referenced property in accordance with the requirements of s. NR 724.12(2), Wisconsin Administrative Code. The maintenance activities relate to the existing paved surface (asphalt parking lot) occupying the area over the contaminated soil on-site. The soil is impacted by polycyclic aromatic hydrocarbons in near surface soils. The location of the paved surfaces to be maintained in accordance with this Maintenance Plan, as well as the impacted soil, are identified on the attached map (Exhibit A).

Cover Purpose

The paved surface over the contaminated soil serves as a barrier to prevent direct human contact with residual soil contamination that might otherwise pose a threat to human health. Based on the current and future use of the property, the barrier should function as intended unless disturbed.

Annual Inspection

The paved surface overlying the soil and as depicted in Exhibit A will be inspected once a year, normally in the spring after all snow and ice is gone, for deterioration, cracks and other potential problems that could result in exposure to underlying soils. The inspections will be performed to evaluate damage due to settling, exposure to the weather, wear from traffic, increasing age and other factors. Any area where soils have become or are likely to become exposed will be documented. A log of the inspections

and any repairs will be maintained by the property owner and is included as Exhibit B, Cap Inspection Log. The log will include recommendations for necessary repair of any areas where underlying soils are exposed. Once repairs are completed, they will be documented in the inspection log. The inspection log must be kept on site and made available for review upon request by the Wisconsin Department of Commerce (Commerce) or its successor.

Maintenance Activities

If problems are noted during the annual inspections or at any other time during the year, repairs will be scheduled as soon as practical. Repairs can include patching and filling operations or they can include larger resurfacing or construction operations. In the event that necessary maintenance activities expose the underlying soil, the owner must inform maintenance workers of the direct contact exposure hazard and provide them with appropriate personal protection equipment (PPE). The owner must also sample any soil that is excavated from the impacted zone prior to disposal to ascertain if contamination remains. The soil must be treated, stored and disposed of by the owner in accordance with applicable local, state and federal law.

In the event the paved surfaces overlying the soil are removed or replaced, the replacement barrier must be equally impervious. Any replacement barrier will be subject to the same maintenance and inspection guidelines as outlined in this Maintenance Plan unless indicated otherwise by the Commerce or its successor.

The property owner, in order to maintain the integrity of the paved surfaces will maintain a copy of this Maintenance Plan on-site and make it available to all interested parties (i.e. on-site employees, contractors, future property owners, etc.) for viewing.

Amendment or Withdrawal of Maintenance Plan

This Maintenance Plan can be amended or withdrawn by the property owner and its successors with the written approval of Commerce.

part Y of the second part.
Witnesseth That the said party of the first part, for and in consideration
of the sum of One (\$1.00) Dollar and other good and
valuable consideration,

RETURN TO
FIRST NATIONAL BANK & TRUST COMPANY OF RACINE,
Racine

to it paid by the said part Y of the second part, the receipt whereof is hereby
confessed and acknowledged, has given, granted, bargained, sold, remised, released, aliened, conveyed and confirmed, and by these presents
does give, grant, bargain, sell, remise, release, alien, convey and confirm unto the said part Y of the second part, its heirs and assigns
forever, the following described real estate situated in the County of Racine and State of Wisconsin, to-wit:

The North fifty-five (55) feet of Lot Twelve (12) and all of Lots
Thirteen (13) and Fourteen (14) in Block Nineteen (19) of the Original
Plat of the City of Racine, First Ward. Said land being in the City
of Racine, County of Racine, State of Wisconsin.

All that certain piece or parcel of land situate, lying and being in
the City of Racine, County of Racine, State of Wisconsin known and
described as: Lot 11, except the South 5 feet thereof, and the South
5 feet in width of Lot 12, Block 19, Original Plat of Racine, as
surveyed by Moses Vilas, according to the recorded Plat thereof.

(IF NECESSARY, CONTINUE DESCRIPTION ON REVERSE SIDE)

Together with all and singular the hereditaments and appurtenances thereto belonging or in any wise appertaining; and all the estate
right, title, interest, claim or demand whatsoever, of the said party of the first part, either in law or equity, either in possession or expectancy
of, in and to the above bargained premises, and their hereditaments and appurtenances.

To Have and To Hold the said premises as above described with the hereditaments and appurtenances, unto the said part Y of the
second part, and to its heirs and assigns FOREVER.

And the said Young Mens' Christian Association of Racine, Wisconsin,
a corporation,

party of the first part, for itself and its successors, does covenant, grant, bargain and agree to and with the said part Y of the
second part, its heirs and assigns, that at the time of the enclosing and delivery of these presents it is well advised of the
premises above described, as of a good, sure, perfect, absolute and indefeasible estate of inheritance in the law, in fee simple, and that the
same are free and clear from all incumbrances whatever.

and that the above bargained premises in the quiet and peaceable possession of the said part Y of the second part its heirs and assigns,
against all and every person or persons lawfully claiming the whole or any part thereof, it will forever WARRANT AND DEFEND.

In Witness Whereof, the said Young Mens' Christian Association of Racine, Wisconsin,
party of the first part, has caused these presents to be signed by Raymond O. Jondahl
its President, and
John S. Burgess its Secretary, at Racine
Wisconsin, and its corporate seal to be hereunto affixed, this 15th day of June A. D. 19 61
